

# TIME TO GO WIRELESS?

**DESKTRONIX CAN HELP!**

We install wireless (“WiFi”) networks,  
starting as low as \$300!

Wireless networks are great for homes and small offices, where mobility is important. No more tangled wiring, no more routing wires through walls or ceilings, no more plugging your computer in at only fixed locations to connect to the network and internet!

**Free Estimates! Call Deryck at 1-866-DSK-TRNX**
